

THE JANUARY REMAINDER & PROMOTIONAL BOOK FAIR 2012

Sunday 22 & Monday 23 January

The Barbican Exhibition Hall 2
LONDON EC1

Presented by
CIANA

FAIR CATALOGUE

Welcome to the JANUARY 2012 REMAINDER & PROMOTIONAL BOOK FAIR

This is the place to find the best wholesalers offering the best books at the keenest prices.

The Fair has moved over to the brighter and more spacious Exhibition Hall 2 on the other side of Golden Lane because the City of London has authorised the conversion of Hall 1 into a cinema complex, with a restaurant/bar annexe and other facilities fronting onto Beech Street. With the pub opposite also currently being refurbished into a wine bar, and a new hotel opening shortly nearby, the whole area will be transformed over the next 12 months.

Once again we are pleased to announce that exhibitors have taken all available stand space in the Fair, and the pre-registrations have been as strong as ever, with the number of overseas visitors continuing to increase year on year.

THE CIANA JANUARY FAIR has now been running for 17 years and is particularly well-positioned to fill the gap from the New Year until the spring book fairs in April and May, and as a result is becoming increasingly popular, gradually expanding to approach the size of our September Fair, held at the Business Design Centre in Islington North London.

The Fair gives UK buyers the opportunity to restock after the Christmas and New Year sales, overseas buyers to purchase for the extended period leading up to the Spring season, and everyone to take advantage of the enormous facilities and entertainment London has to offer. Details of the next CIANA events can be found on the back cover.

Our nominated shipping company **U-Freight (UK) Ltd** will be on hand to provide transport and shipping quotes and advice – **stand D10** immediately on your left as you enter the Hall.

We are sure you will find the Barbican relaxing, interesting and profitable and thank you for your continued support.

**Pre-registration for the
September Fair is now available
online at www.ciana.co.uk**

Selling your books Online?

With footfall decreasing of consumers visiting their local bookshops, what better way to increase your customer audience than to sell online.

It's easier than you think... Using e-commerce platforms such as Amazon, Ebay and play.com, you don't even need to design a website to get started. All you need is the right postal packaging and flexible staff who are willing to pick & pack and dispatch your books.

Great Results... Whether it be that your online sales replace turnover lost by reduced footfall in your shops or that you have considerable growth plans, there is no doubt that selling your books online will result in additional sales from customers who would have previously never visited your shop for reasons of location.

Choosing the right postal packaging

Mainlines postal packaging is specifically designed to satisfy the 5 main objectives faced by online booksellers

- 1) **minimal postal costs.**
- 2) **fastest packing speed.**
- 3) **minimal postage returns.**
- 4) **low unit price.**
- 5) **space optimisation.**
